

LEARN MORE AT
energystar.gov

ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear EPA-recognized Certification Body:

The U.S. Environmental Protection Agency (EPA) would like to inform you that the [XML-based web service for submitting data on models for Version 4.0 Computer Servers](#) is now available for testing until **April 27, 2023** and will go live on **April 28, 2023**.

Please visit the XML Web Services Submission Process page at www.energystar.gov/qpx for technical documentation on the XML submission system, including information on authentication, submission, validation, and testing process, as well as the Web-Service Definition Language (WSDL).

You may submit any comments or feedback about the results from testing to Certification@energystar.gov with "QPX Review" in the subject line.

Thank you for your support of the ENERGY STAR program.
