**OFFICE OF AIR AND
RADIATION**

Dear ENERGY STAR® Partners and Stakeholders:

This is a reminder that the U.S. Environmental Protection Agency (EPA) released the [ENERGY STAR Commercial Electric Cooktops Version 1.0 Discussion Guide](#) on February 24, 2021. Comments are due April 7, 2021 and may be submitted to cfs@energystar.gov.

EPA will host a stakeholder webinar to highlight topics outlined in the discussion guide as well as answer any questions. The specific topics include scope and test methodology for the proposed equipment category, which includes commercial induction products, not currently covered under the ENERGY STAR program.

Please register [here for the webinar](#) to be held on Wednesday, March 17, 2021 from 3:00 PM – 5:00 PM EST.

Thank you for your continued support of ENERGY STAR.
