OFFICE OF AIR AND RADIATION

Dear ENERGY STAR Commercial Food Service Partners and Stakeholders,

In lieu of a new webinar this month, we would like to highlight the webinar series, which has covered topics such as strategies to leverage the ENERGY STAR logo, tools, and resources, ENERGY STAR partner success stories, and more! In case you missed a past webinar or are interested in revisiting a topic, all webinar recordings and slide decks are available on the [CFS archives page](#).

In light of upcoming ENERGY STAR activities such as [ENERGY STAR Day](#) (Tuesday, October 26, 2021) and the [ENERGY STAR Award](#) application cycle (applications deadline is Tuesday, December 7, 2021), we recommend reviewing a few webinars in particular. Please find these webinar names and recording links below.

- [Announcing 2020 ENERGY STAR Award Winners and Plans for 2021](#)
- [ENERGY STAR Day Promotion and Other CFS Tools](#)
- [Making the Most of the ENERGY STAR Website](#)

Stay tuned for future CFS webinar topics and dates! All details will be announced through a mass mailer.

Thank you for your support of the ENERGY STAR program.
