Dear ENERGY STAR® Commercial Food Service Partners and Stakeholders:

The U.S. Environmental Protection Agency (EPA) invites you to participate in its next installment of the commercial food service (CFS) webinar series!

This webinar series covers a range of topics which highlight strategies to leverage the ENERGY STAR logo, tools, and resources, ENERGY STAR partner success stories, and more! The September webinar will spotlight ENERGY STAR partner Hawaii Energy and their Energy Relief Grant program, which awarded a total of \$1,000,000 in funding for energy efficiency improvements for non-profit organizations, small businesses, and other qualifying organizations experiencing economic loss due to the COVID-19 pandemic.

Webinar Information

Title: ENERGY STAR Partner Spotlight - Hawaii Energy and Energy Relief Grants

Date and Time: Tuesday September 14; 1 PM – 2 PM EST

Please register for the webinar [here](#).

This webinar will:

- Demonstrate how ENERGY STAR partner Hawaii Energy supports restaurants experiencing economic loss through Energy Relief Grants.
- Illustrate strategies for other CFS stakeholders to get involved
- Provide a detailed overview of program development and design, best practices, barriers, marketing and outreach strategies.
- Highlight restaurant operator success stories and testimonials.

Questions may be directed to CFS@energystar.gov.

Thank you for your support of ENERGY STAR.
